Credits: AMA PRA Category 1 Credits™ (1.00 hours), Non-Physician Attendance (1.00 hours)

This activity is a recording of the Pediatric Grand Rounds series. Grand Rounds seeks to provide the most up-to-date continuing medical education to our target audience\* in order to facilitate adoption and use of the best practice guidelines with current evidence based medicine for every patient and diagnosis. Additionally, Grand Rounds will provide the most current instruction to the residents in our teaching institution.

\*The audience is the Children's of Alabama & UAB medical and clinical staff in all pediatric sub-specialties, as well as local, state, regional and national pediatric practitioners who seek continuing education on pertinent subject material.

In order to receive credit for the lecture watched you must complete the quiz and evaluation. Author(s): Brain Bates, CPA, CHC, MAC and Stephen Stair, MD, FACP

 Media
 

Click on Media and you will be directed to a Mediasite registration page.

Please register to access the requested Mediasite content

You will need to enter your first and last name, your email address and click register.

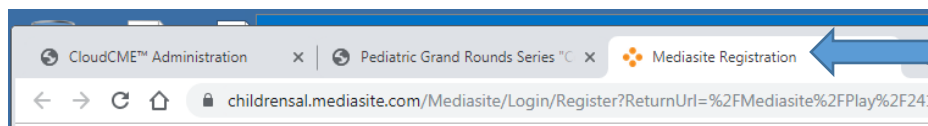

Unfortunately, the CME department does not have access to Mediasite to turn this feature off so you will need to register each time you would like to view a presentation. The sign in feature does not work.

Already registered?
   

  

  
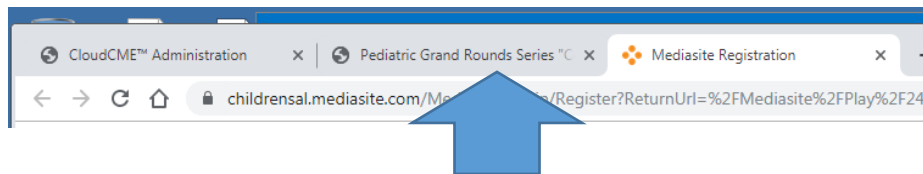

[Already have a username and password?](#)

Once you have registered your video presentation will pop up in a new window at the top of your screen.

You will be required to take a post test and complete an evaluation after viewing the video. To take the test and evaluation click on the Cloud CME tab at the top of the page and you will be directed back to the test area.

From there you can click on Test to complete the test and evaluation.
